Dear Dilshad Ahmad,

Hope you're doing great!
As you have completed your 1st session on Industry mentor. Feedback provided by your respective mentor is mentioned below.
The scores mentioned below are on a scale of 5

INDUSTRY MENTOR FEEDBACK

- **Data Structures:** 2
- **Algorithms:** 2
- **Complexity Analysis:** 2
- **Asking clarifying questions:** 1
- **Ability to use hints:** 2
- **Attempt to solve:** 2
- **Problem Solving:** 2
- **HTML and CSS:** 2
- **Advanced Javascript:** NA
- **Basics of Front End Development:** 2
- **How would you rate the students communication skills?:** 2
- **How would you rate the student's attitude and mindset?:** 3

What should the student focus on?: Need to focus on basic data structure concepts first by solving problems daily as he took so much time to solve easy level question, work on improving communication skills, need to ask clarifying question if in doubt

What went well?: able to use hint provided though took a lot of time to understand the hint, overall confidence level was okay

- **How would you rate the candidate's overall Job readiness based on this interview?:** 2
